## PARENTS CODE OF CONDUCT

I will always remember that my child plays hockey for her enjoyment, not mine.

I will encourage my child to play by the rules and demonstrate good sportsmanship.

I will never criticise my child or other players for mistakes, but applaud their efforts with encouragement.

I will accept the results of the game and teach my child to be gracious in victory and courteous in defeat.

I will refrain from using abusive or profane language directed towards anyone connected with the game.

I will not coach from the sidelines or interfere with any duties or responsibilities of the coach or any of the staff, remembering that they are all volunteers.

I will address any problems or concerns to the Parent Liaison away from the arena while observing the 24 hour waiting period following a game.

I, the undersigned parent, have read and agreed to abide by the Parents Code of Conduct. I further understand that any violations may result in a suspension from participating in any team practices, games or team activities.
