

Chatham Girls Hockey Association House League teams participate in the Essex Kent Interlock. Information on teams, associations involved and previous standings can be found by going to the link on our home page.

All team levels are dependent upon registration numbers at each age level. The ages listed are a guide for how the initial teams will be set up. Younger players can be moved up in divisions to even out skills and overall team numbers but players can never be moved down.

For the upcoming 2010-2011 Hockey Season we anticipate having the following categories in our house league division:

**Novice (ages 8 and under)** The CGHA Novice program is a combination of learning to skate with added lessons in the fundamental skills of the game. For the first time in our interlock we are looking to gather enough interest in arranging organized games similar to the other divisions. Skills development would take place in September through November with games commencing late November to March 2011.

**Atom (ages 10 and under)** Participate in the Essex Kent Interlock level of game play from September 20<sup>th</sup> through March 2011

**PeeWee (ages 11-12)** Participate in the Essex Kent Interlock level of game play from September 20<sup>th</sup> through March 2011

**Bantam (ages 13-14)** Participate in the Essex Kent Interlock level of game play from September 20<sup>th</sup> through March 2011

**Midget (ages 15-16)** Given the CGHA and the Essex Interlock *have enough and enrollment across all areas* we will attempt to create a Midget team to participate in game play from September 20<sup>th</sup> through March 2011. \*This team would be eligible to play at Midget or Intermediate level in any house league tournament.

**Intermediate (ages 15 – 20)** Participate in the Essex Kent Interlock Intermediate level of game play from September 20<sup>th</sup> through March 2011

CGHA will be selecting coaches and assistant coaches by **application** this year.
