

## Leadership Opportunity for House League Players!

Chatham Girls Hockey Association has received a Leadership Sponsorship for 2 House League players to take on the challenge of participating as a member of the coaching staff in our Novice and/or Atom programs.

In exchange for your leadership and mentoring time with the young girls for approximately 2 hours per week for the duration of approximately 24 weeks of the season, the sponsorship dollars are to be applied to cover the CGHA registration fees for the 2010 season.

Please *email* a letter of interest to participate in a leadership position on the staff of the Novice or Atom girl's hockey programs. Include why you believe your participation will make a difference this year and what you hope to gain from the experience. Letters of interest should include your personal information and a brief history of your hockey experience and any formal training or other qualifications you have (school leadership positions, training, coaching, and referee, speak out etc). Submissions **must** be received by **August 1, 2010** to be considered for the 2010 season.

All letters of interest will be considered and members of a selection committee from the board will approve the final recipients selected for an interview.

Sincerely;

Tammy Mungar (VP House League)
